

Come volunteer for ThirstyFest!

BENEFITING WATER FOR PEOPLE

Want to meet people in the water and wastewater industry while putting on a day-long beer festival and supporting a non-profit that helps deliver safe water and sanitation systems all around the world?

ThirstyFest is a completely volunteer-led beer festival supported by the Rocky Mountain Water Environment Association (RMWEA) that raises funds and awareness for Water For People.

This annual beer festival serves beer, wine, hard seltzer, cider and more from over 20 vendors from the Denver area. There is live music, food trucks, lawn games and we plan everything down to the last detail!

Come help us make a difference while getting involved in the Denver craft beer, water, and entertainment scene!
